when i look at your blog site in ie, it looks fine but when opening in internet explorer, it has some overlapping

dutch.powder-steroid.com

healthtoday.blog

uptimehealth.com

americanhealthresearch.com

and you can see that the payout curve was wonky, too (jamie gold's 12m first place prize goes off the top of this chart).

aristo-pharma.it

homehealthsolutionsllc.com

anyhow, i'm definitely delighted i discovered it and i'll be book-marking it and checking back regularly
