he emphasized that it wasn't the mdma that made him better, but the conversation that the drug facilitated  
unitemedical.org

sometimes women (or their partners) worry that a vibrator will desensitize them; others fear that they'll get  
addicted to the easy pleasure a vibrator can bring

med-workshop.com

in the first place, its illicit nature will both shock the reader into paying attention and prevent sentimentally  
false sympathy from distorting his judgment
