

# Medstarmontgomery.org/ortho

income taxes, sales tax and accounting are just the start

medstarmontgomery.org/calendar

the problem is that many people will read this study, take it at face value, and try to apply this across all patients who may benefit from testosterone replacement therapy (trt).

medstarmontgomery.org

i'm not completely convinced that that's an established fact but let's for the sake of today's news story let's just roll with it
